Feedback from one of our clients:

Mr T Makar

Function: Wedding reception

"Excellent the whole event went great. The bar staff coped really well and were very friendly. The room was well set out and it was very clean. I chose Mellish because it was at the hub for all our guests, so travelling was no problem and the taxi service was spot on. The large car park was a real bonus for us. I have already recommended Mellish to some of our friends. And I have no hesitation in recommending the Mellish club to anyone."
